CHRISTIAN DAY SCHOOL

## Box Tops FAQ's

Box Tops For Education is one way you can help our school while doing your regular shopping. For each Box Tops coupon clipped and sent in our school receives 10 cents. Last year we received \$2,700 from General Mills. This money is used towards special needs such as technology upgrades.

Below are some frequently asked questions and attached is a list of participating products. Thanks for your support!

**Q: Where can I find Box Tops for Education coupons?**

**A:** Box Tops are found on hundreds of participating products throughout your grocery store. (See attached list)

**Q: May I submit ripped or torn Box Tops?**

**A:** Yes, as long as the expiration date is clear.

**Q: Can I staple Box Tops to collection sheets?**

**A:** Please do not use staples to attach Box Tops to collection sheets! Glue or tape is best!

**Q: Can I glue or tape more Box Tops to collection sheets than the sheet asks for?**

**A:** Please refrain from attaching more Box Tops to collection sheets than requested on the sheet. If you have additional Box Tops, attach them to additional sheets, or just place them in a baggie with your child's name and room # included on the bag, or a note in the bag.

**Q: Can I turn in a collection sheet with less than what the sheet asks for?**

**A:** Yes, you can turn in a collection sheet with less Box Tops than it is requesting, but please do not attach more! The schools are required to mail in Box Tops collections in groups of 50 (e.g., a

stack of five 10-count collection sheets or a stack of two 25-count collection sheets).

**Q: Can I turn in Box Tops without gluing or taping them to a collection sheet?**

**A:** Yes, you can send your Box Tops to school in a baggie with your child's name and room # included on the bag, or on a note in the bag.

**Q: Can I turn in expired Box Tops?**

**A:** We cannot submit expired Box Tops coupons. They will not be honored.

**Q: Do I have to trim the Box Tops?**

**A:** General Mills asks for the excess to be trimmed off, so trimming them before they are sent in is a help to us!

**Q: Where do I find Bonus Box Tops?**

**A:** Bonus Box Tops can be found in a few ways. They are occasionally attached to specific products and you clip them in addition to the regular Box Tops. (Many items at Sam's Club have Bonus Box Tops.) Also, local stores such as Stater Bros will offer Bonus Box Tops when you buy a certain number of Box Tops products.

**Q: How should I turn in Bonus Box Tops coupons?**

**A:** Bonus Box Tops coupons are greatly appreciated, whether issued from a store or taken from the label of a product. Please do not attach them to collection sheets. Bonus Box Tops are counted separately from regular Box Tops. Please send your Bonus Box Tops to school in a baggie with your child's name and room # included.
