

END OF SCHOOL YEAR GIVING

IMPACT FUND UPDATE

W O O D C R E S T C H R I S T I A N S C H O O L

We recently hosted our Jubilee Weekend as we celebrated 75 years of God's faithfulness through our school. This entire weekend was dedicated to celebrating our students, reconnecting with alumni, and hosting a family reunion of current and past staff. Through these events, I was reminded of the impact that the people of Woodcrest Christian have had on my family, my personal life, my kids' lives and so many more. The teachers, staff and administrators that the Lord has brought to Woodcrest Christian have impacted people from TK through 12th grade since 1948.

Impact is such a powerful word. While academic studies, drama, art, choir and sports are all important parts of school, it is the people—the students and staff—that are the most important and who make a difference in each others' lives. This is why we started the Impact Fund—in order to make a difference and impact our school and the people that are a part of it.

You may not know, but our school receives no government funding. Everything we do is supported solely by tuition. We desire to do facility upgrades and other improvements to continue providing an excellent educational experience while still keeping tuition as reasonable as possible. We ask and invite

people to give above and beyond to the Impact Fund so that we can accomplish these things that go beyond our annual budget.

In order to upgrade the security systems at both campuses, purchase vans for the athletics program, install a cross at each campus, and add to tuition assistance, we are asking those—who are willing and able—to give to the Impact Fund.

Since starting the Impact Fund in October 2022, the Lord has allowed us to raise \$336,540 towards our school year end goal of \$540,000. I am grateful for the staff, current families, grandparents, alumni, community leaders and board members who have already donated so generously. Thank you. We are so close to reaching our goal for this school year.

Will you consider helping us reach this goal before May 31, 2023?

Thank you for considering supporting the school today and in the future. If you have any questions, please feel free to contact me.
