Purpose: The purpose of this project is not to add extra work to busy schedules, but it is to expose Woodcrest students to serving others. Christ has called us to serve others and to show the fruits of our faith through ministering to others. Woodcrest Christian School would be remiss if it only required intellectual challenging of our students' faith and neglected the practical living out of our Christian faith.

Pre-approved Organizations:

All local churches: youth work, children's ministry, AWANA, clean-up, VBS, missions, etc.

WCS Service Clubs: Key Club, Environmental Science, Mission Trips

WCS Athletic Stats and Student Council (up to 5 hours each semester)

Service Project Reflections

What did you actually do for each organization that you served?

How did your work benefit the community or organization?

How did your community service change your heart or thinking?

Would your experience with serving encourage you to serve even more if you weren't required to perform service hours? Why or why not?
